

"Our debt to the heroic men and valiant women in the service of our country can never be repaid. They have earned our undying gratitude. America will never forget their sacrifices."

Harry S. Truman, U.S. President

Contact us

The Veteran Owned Business Roundtable is a national association dedicated to *"Serving those who have Served"* by helping VOB's succeed, and America's private corporations find suitable Veteran suppliers.

For Veteran Businesses:

We advise state and local governments and advocate opportunity for veteran business to reach 5% of government awarded contracts. Additionally, our programs help corporate businesses find and partner with veteran entrepreneurs.

For Corporate Businesses:

We offer the simplest, and yet most effective channels for identifying and partnering with veteran owned businesses. Finding your perfect match is made easier with our comprehensive online directory and brand new mobile app!

Address:

7205 Sterling Ponds Court
Sterling Heights, Michigan 48312

Serving those who have served

*Veteran Owned Businesses and Corporates
Connecting with Veterans Reinvented!*

Who we are

Over 23 million military Veterans today deal with unique and complex challenges when returning home; unemployment being principal amongst them.

Service to others is instinctive in the men and women who have served our nation. For this reason **The VOB Roundtable** serves those who have served by:

Advocating Contracting with Veteran Owned Businesses: Working to see that Veteran businesses will reach the required 5% of government awarded contracts, thus persuading large, private corporations to pledge similar goals for inclusion of Veteran Owned Businesses in their supplier diversity initiatives.

Mentorship for Veterans: Experienced and established Veteran Owned Businesses provide guidance and share valuable knowledge and first-hand experience to the next generation of Veteran entrepreneurs.

Veteran Business Exposure: Opportunity to market your products and services to corporate America in diverse industries, such as manufacturing, finance healthcare, education, transportation, government procurement and many more.

Large and Growing Network of collaboration throughout the Veteran advocacy community across the country.

Increase your contacts and establish corporate-veteran business partnerships: Informative and useful events to enable Veteran Owned Businesses and world-wide respected brands breakout and network. Be part of our **Vet's Night Out** and the **Business Conference "Meet & Greet"**. Join our roundtable to discuss challenges, issues, concepts, best practices, lessons learned and much more.

Finding Veteran suppliers for your corporate business: Our comprehensive **online Veteran Business Directory** and **Mobile App** will facilitate the search for Veteran businesses and entrepreneurs. Easily identify, classify and assess the type of VOB you need based on industry.
